

Texas Commission on Environmental Quality

Notice of Technical Completeness for Municipal Solid Waste Registration Proposed Compost Registration No. 42041

Application. New Earth, Inc., 7800 IH-10, San Antonio, TX 78219, has applied to the Texas Commission on Environmental Quality (TCEQ) for a registration to authorize a composting facility. The composting process will consist of aerobic decomposition of organic materials including vegetative material, liquid and solid food residuals, domestic septage, manure and municipal sewage sludge. The facility will be located at 6205 FM 2855, Brookshire, TX 77423, approximately 5.1 miles north of Highway 90-Highway Boulevard, in Waller County, Texas. The proposed site covers approximately 33 acres and is estimated to receive 2,375 cubic yards of waste per day. The application was submitted to the TCEQ on February 29, 2016.

The following link to an electronic map of the facility's general location is provided as a public courtesy and is not part of the application or notice:

<https://www.tceq.texas.gov/assets/public/hb610/index.html?lat=29.843333&lng=-95.901666&zoom=13&type=r>

For exact location, refer to applicant website: www.newearthcompost.com.

The TCEQ executive director has completed the technical review of the application and prepared a draft registration. The draft registration, if approved, would establish the conditions under which the facility must operate.

Motion To Overturn. If the executive director approves this registration, persons on the mailing list for this application may file a motion to overturn with the Office of the Chief Clerk. A motion to overturn is a request for the Commission to review the TCEQ executive director's action. Any motion must explain why the Commission should review the TCEQ Executive Director's action. You will receive directions from the Office of the Chief Clerk on deadlines and other requirements for filing a motion to overturn.

Information. If you need more information about this registration application or the registration process for compost facilities, please call the TCEQ Public Participation and Education Program at 1-800-687-4040. General information about the TCEQ can be found at our web site at www.tceq.texas.gov.

Further information may also be obtained from New Earth, Inc. at the address stated above or by calling Ms. Risa Weinberger, Risa Weinberger & Associates, Inc., at (214) 729-7071.

Issuance Date: January 31, 2017
