

Waller County Court at Law

Policies and Procedures

GENERAL PROVISIONS

The objective of the rules of the Waller County Court at Law is to obtain a just, fair, equitable and impartial adjudication of the rights of litigants under established principles of substantive law and established rules of procedural law. To the end that this objective may be attained with the greatest dispatch and, as may be practicable, with the least expense to litigants and the county, these rules shall be applied to ensure that, so far as reasonably possible, all matters are brought to trial or final disposition in conformity with this objective.

CONDUCT AND DECORUM OF COUNSEL

- a. Each attorney is expected to conduct himself or herself in accordance with the State Bar of Texas Code of Professional Responsibility, the Texas Rules of Civil Procedure, the Texas Code of Criminal Procedure, the Regional Rules of Administration for the Second Administrative Region, these local rules, and such other rules of conduct as may be published by the courts of this county and state. All attorneys, litigants, and witnesses shall be expected to act in a manner calculated to promote decorum, respect for the judicial system and the prompt and fair administration of justice.
- b. In addressing the Court, attorneys shall rise and remain standing at their positions at counsel table. They shall not approach the bench except with permission or upon request of the Court. When the Court is addressing an attorney, that attorney shall rise and remain standing until the court finishes speaking. Attorneys shall not lean on the Bench or appear to engage the Court in a confidential manner. All remarks of Counsel to the Court shall be addressed to the Court and not the Judge as an individual.
- c. Attorneys shall be responsible for advising their clients and witnesses of the formalities of the courts. Any clients or witnesses who are inappropriately dressed or act in a manner disrespectful of the court or other participants may be removed from the courtroom.
- d. All counsel are admonished to respect the letter and spirit of all canons of ethics particularly those dealing with discussion of the facts or law of the case with the Court outside of the Courtroom and not in the presence of opposing counsel.

- e. When Court is in session there will be no talking in the courtroom other than regarding the case before the bench. Attorneys wishing to discuss other cases should ask to be excused from the courtroom.

WITHDRAWAL OF COUNSEL

Withdrawal of counsel will only be permitted upon the filing of a motion and order granting leave to withdraw. All motions must either be agreed by both the attorney's client and opposing counsel or be set for hearing. If the motion is not agreed, counsel must forward a copy of the motion and notice of hearing by certified mail to the client and opposing counsel. Leave to withdraw may be denied if the motion is presented so near trial as to require delay. A copy of the leave to withdraw shall be forwarded to client, along with notice of current deadlines and settings by certified mail.

ATTORNEY VACATIONS

Each attorney desiring to assure that he/she will not be assigned for trial during a vacation period not to exceed four consecutive weeks of a given year may advise the Court Coordinator in writing not less than ninety days prior to the first day of such vacation. In the event an attorney already has a setting at the time the vacation notice is filed, it shall be the attorney's responsibility to notify opposing counsel and the Court Coordinator and either file an agreed reset or a motion for continuance and obtain a ruling by the Court.

CERTIFICATE OF CONFERENCE REQUIREMENT

A CERTIFICATE OF CONFERENCE IS REQUIRED WITH ALL MOTIONS REQUESTING A HEARING. If a motion will be opposed or is not agreed to, counsel for a party shall not file, nor shall the clerk accept for filing, any motion, except a Motion for Summary Judgment, a Plea to the Jurisdiction, Motions for Default Judgment, Motions for Voluntary Dismissal, Nonsuit, Motions for New Trial, and Motions Involving Service of Citation or other motion that would be dispositive of the case, unless accompanied with a "Certificate of Conference" signed by counsel for movant in the form set out below. The Court Coordinator will not set any motion for hearing until the Court has received a Certificate of Conference or the Motion/Order meets one of the exceptions.

If a motion is unopposed or is agreed to, a Certificate of Conference is not required; however, the moving party shall accompany the motion with a proposed order signed by all counsel indicating approval of same and include "AGREED" or "UNOPPOSED" in the title.

To comply with the requirements of a Certificate of Conference, movant shall attempt to contact counsel for the respondent to hold or schedule a conference to resolve the disputed matters. Unless an emergency exists, counsel for the movant shall make at least three (3) attempts to contact counsel for the respondent. The attempts shall be made during regular business hours on at least two separate business days.

If an opposing counsel/party fails to respond to movant's request for conference, movant should select 3 dates of their choosing from the Court's Calendar and include them in their setting request. The Court will set the hearing from those dates regardless of opposing counsel's objections.

This form may be used for the **Certificate of Conference** in a family law case and **this form** may be used in all other civil cases OR counsel may include the appropriate language from below as one would a Certificate of Service or other certificate required by a motion.

Choose the appropriate language from the following four paragraphs:

- Counsel for movant and counsel for respondent have personally conducted a conference at which there was a substantive discussion of every item presented to the Court in this motion and despite best efforts the counsel have not been able to resolve those matters presented. Counsel have further conferred and _____ do / _____ do not agree to the setting dates listed in the Setting Request.
- Counsel for movant has personally attempted to contact the counsel for respondent to resolve the matters presented as follows: (Dates, times, methods of contact, results). Counsel for the movant has caused to be delivered to counsel for respondent, and counsel for respondent has received a copy of the propose motion. At least three (3) attempts to contact the counsel for respondent followed the receipt by counsel for respondent of the proposed motion. Counsel for respondent has failed to respond or attempt to resolve the matter presented.
- An emergency exists of such a nature that further delay by contacting opposing party would cause irreparable harm to the movant, as follows: (details of emergency and harm justifying inability to contact opposing counsel or party).
- Other reason Counsel/Party is unable to discuss the setting and matter addressed by the Motion with opposing counsel/party: (describe reason movant cannot contact opposing counsel/party).

A Certificate of Conference may be waived by the Court for good cause.
