## REGIONAL TRANSPORTATION PLAN

---

### *Moving Our Region into Tomorrow*

Dear Colleague,

H-GAC's Metropolitan Planning Organization (MPO) is hosting **"Transportation 101: What You Need to Know."** We will highlight an expert panel at a set of public meetings discussing what's next for the 2045 Regional Transportation Plan (RTP), the 2018 "Call for Projects" draft selections, performance measures, air quality and transportation conformity.

We will host six public meetings in the Houston-Galveston area to facilitate dialogue on the most pressing transportation issues and provide opportunities for the public to contribute feedback and submit public comments.

We invite you to personally participate in public meetings or stream them online at [2045RTP.com](http://2045RTP.com), and we would greatly appreciate your support in welcoming residents to actively partake in this plan.

Your support, as an engaged stakeholder group, will greatly support essential transportation planning efforts.

With kinds regard from H-GAC,

---

H-GAC is a voluntary association of local governments in the 13-county Gulf Coast Planning Region—an area of 12,500 square miles and seven million people. H-GAC is designated by the State of Texas as the region's Metropolitan Planning Organization for transportation planning in Brazoria, Chambers, Fort Bend, Galveston, Harris, Liberty, Montgomery, and Waller Counties.
